

Located in the heart of the "packaging valley" and more precisely in Bologna, GRANDI srl is considered a leading company in the packaging sector. Our primary target is to provide our customers with an efficient partner, always offering **reliability** and **professionalism**.

Since 1970 mechanics has always been our bread and butter and this has allowed the creation in 1971 of the **1st continuous bandrolling machine**, which still today is confirmed as the fastest, most precise and compact in the whole world.

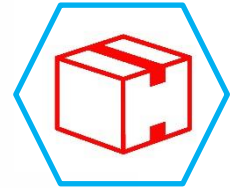

For over 50 years present in several fields.....

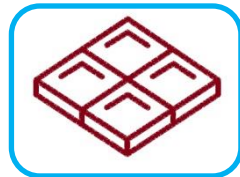

Frozen products (croissant-pizza-bread)

Packaging (cartons-cases-trays)

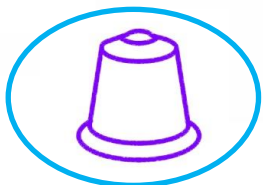

Dairy field (processed cheese-butter)

Disposable items (dishes-cups-napkins)

Food (chocolate-wafers-biscuits)

Parapharmaceutical (plasters-patches)

Bevande (coffee-tea-juices)

With numerous solutions of packaging.....
